MEMORANDUM FOR LTC Anthony Shaffer, 9th Theater Support Command, 8831
John J. Kingman Road, Fort Belvoir, VA 22060-5101

SUBJECT: Reassignment

1. Your security clearance was revoked on 5 October 2005 and at the time you joined the 9th Theater Support Command on 24 July 2006 you did not have a valid security clearance. Your security clearance remains revoked. The 9th Theater Support Command chain-of-command failed to inform me of your lack of a security clearance at the time I selected you for command.

2. Based on your lack of a valid security clearance, I have determined that you do not have the ability to effectively function as the 9th Theater Support Command, Special Troops Battalion Commander. Therefore, I am directing your reassignment to a position within the command which does not require a security clearance. COL Robert L. Valencia, Jr., will determine your new duty position and will inform you of his decision.
